

# PRODUCTS

A global leader in the semiconductor and components marketplaces, Fujitsu Microelectronics, Inc. (FMI) is committed to providing innovative technology solutions that help its customers succeed.

## Memory Products

- DRAM
- Synchronous DRAM
- Synchronous SRAM
- SGRAM
- DRAM Modules

## Wireless Communications

- Introduction and Quick Selection Guide
- RF Devices
- Baseband Devices

## Telephone Circuits

- Compandors
- CODECS

## Analog ASSP

- Audio IC's
- Data Conversion
- Power Supply and Control
- Disc Drive
- Motor Drivers

## Asic

## Networking Products

- ATM
- LAN/Ethernet
- SCSI
- Plug & Play

## Flat Panel Display

- Plasma Displays
- Projector LCD Systems
- TFT LCD Modules

## Embedded Control

## Interconnect Technology

## Electronic Components Sales

- Electromechanical PCB Relays
- Thermal Printers
- Keyboards
- Connectors
